Tim Everard

Esports Operations Professional

Epsom, Surrey · 07872 571569 · tim.everard@hotmail.co.uk · linkedin.com/in/tim-everard

Profile

Esports operations professional with 15 years in esports, live events and broadcast, including hands-on tournament and player operations for shooting titles CS2 and CS:GO alongside Dota 2, Rocket League, Fortnite and Apex Legends. Experienced running both online and offline tournaments, managing player and partner relationships (including FACEIT, ESIC and BLAST Premier teams), and coordinating tournament planning with commercial and product teams to hit delivery deadlines. Based in Surrey. Comfortable working across the full tournament ecosystem, from freelancer and vendor booking to event-day delivery.

Experience

Head of Esports Operations, BLAST (Jun 2023 – Oct 2026)

- Ran tournament operations across the BLAST ecosystem, including the shooting title CS2, plus Dota 2, Brawl Stars, Fortnite, Rocket League and Rainbow Six, online and offline
- Brought Team Operations into the department, so all online and offline player management and support sat with one team
- Set technical requirements for commercial partnerships
- Costed and pitched new tournament work with the product and commercial teams
- Led a six-person department, with clearer ownership, accountability and proper documentation
- Designed and built the department’s own tools for tournament operations, event and equipment tracking, freelancer calendars, bookings and contracting, and event budgets and deadlines
- Wrote the business case for a departmental OPEX budget covering equipment renewal, software and cross-event costs

Tournament Operations Manager, BLAST (Jan 2020 – Jun 2023)

Contractor to Mar 2021, then permanent.

- Main tournament-level contact for FACEIT, ESIC and BLAST Premier teams
- Managed tournament equipment and staffing budgets across the shooting title CS:GO, plus Dota 2, Apex Legends, FIFA, Fortnite and Rainbow Six
- Booked and managed tournament operations freelancers for internal, external and online productions
- Arranged venues and equipment for team bootcamps
- Approved equipment and staffing invoices, and decided when to hire, buy or repair tournament kit
- Designated Safeguarding Lead and first aider at live events

Broadcast Freelancer, self-employed, alongside Jam Television (Jan 2018 – Jan 2020)

- Crewed broadcasts and live events for clients including BLAST Pro Series, ESL UK and ESL Germany, BBC, Sky Sports, ITV, Immediate Media, NATS, Big Ben (WRC), Altitude Angels and Create Broadcasting
- Worked in the gallery as technical director, producer and graphics operator on live shows
- On-stage admin at esports events, and consulted on production and technical setups for clients

Broadcast and Studio Manager, Jam Television, Birmingham (Mar 2018 – Jan 2019)

- Designed a multi-camera TV studio from scratch, bought the equipment, and managed installation and testing
- Controlled the studio budget, including equipment purchasing
- Hired freelancers and ran staff rotas to keep a 24-hour TV channel on air, including holiday cover and emergency call-outs
- Trained staff on studio equipment and workflows
- Managed suppliers, invoice approval and day-to-day maintenance, including software and hardware updates

Production Manager, ESL UK, Leicester (Jul 2015 – Dec 2017)

- Built and set up the technical infrastructure for two ESL UK studios
- Managed production for both studios and at external events including MCM, EGX and Formula E
- Controlled production budgets and purchased studio and event equipment
- Worked in the gallery as technical director, producer and graphics operator on live broadcasts
- Hired freelance crew, managed rotas and supervised internal and external staff on live shows
- Trained crew on equipment and workflows, and ran equipment hire, installation, testing and maintenance

Senior Lighting and Event Technician, Dorking Halls (Jun 2012 – Jun 2015)

Earlier: Casual Technician, Dorking Halls (Mar 2010 – Jan 2011).

- Controlled the equipment and training budget, and ran in-house lighting training
- Maintained specialist kit for a theatre and two cinemas, from lighting and audio desks to 35mm and digital projectors
- Carried out PAT testing on the venue's electrical equipment
- Covered whatever the show needed, working as audio engineer, stage hand or stage manager
- Set up and ran touring and in-house performances
- Head of lighting for The Darkness's support act, support lighting engineer for Enter Shikari, head of audio and lighting for Lee Mack, and comedy tours with Jimmy Carr, Dara Ó Briain and Ed Byrne
