PROFILE

Operations leader with 15 years' experience running teams, budgets and logistics behind large-scale live events, from theatre and TV studio builds to heading a six-person department at BLAST. Led team management, budgeting and process improvement across 60+ flagship events and 300+ qualifiers in 13 countries, with €12m+ in budgets, 2,000+ freelancers and vendors managed, and performance tracked through the department's own operational tools. Experienced in restructuring teams, stakeholder management and building clearer operational procedures and documentation from scratch. Hands-on across procurement, supplier and vendor management, invoicing and budget control. Looking to bring that operational leadership and process discipline to a growing consumer brand.

EXPERIENCE

Head of Esports Operations — Jun 2023 – Oct 2026
BLAST

- Led a six-person department running operations across every BLAST ecosystem, including CS2, Dota 2, Brawl Stars, Fortnite, Rocket League and Rainbow Six
- Rebuilt how the department works, with clearer ownership, accountability and proper documentation
- Designed and built the department's own tools for operational tracking, freelancer calendars, bookings and contracting, and budgets and deadlines
- Wrote the business case for a departmental OPEX budget covering equipment renewal, software and cross-event costs
- Costed and pitched new work with the product and commercial teams
- Brought Team Operations into the department, so all player management and support sat with one team
- Set technical requirements for commercial partnerships
