PROFILE

Operational leader with 15 years' experience managing multiple teams, budgets and live delivery, from theatre and TV studio builds to heading a six-person department at BLAST. Led operational leadership and people management across 60+ flagship events and 300+ qualifiers in 13 countries, with €12m+ in budgets and 2,000+ freelancers managed. Rebuilt departmental processes for clearer ownership and accountability, drove efficiency through new tools and documentation, and worked closely with finance and commercial stakeholders on budgets and new work. Hands-on and adaptable, used to stepping into fast-moving operations and improving how they run. Comfortable managing change and improvement projects alongside day-to-day service delivery.

EXPERIENCE

Head of Esports Operations — Jun 2023 – Oct 2026
BLAST

- Led a six-person department running operations across every BLAST ecosystem, including CS2, Dota 2, Brawl Stars, Fortnite, Rocket League and Rainbow Six
- Rebuilt how the department works, with clearer ownership, accountability and proper documentation
- Designed and built the department's own tools for operational tracking, freelancer calendars, bookings and contracting, and budgets and deadlines, driving efficiency across the team
- Wrote the business case for a departmental OPEX budget covering equipment renewal, software and cross-event costs
- Costed and pitched new work with the product and commercial teams
- Brought Team Operations into the department, so all player management and support sat with one team
- Set technical requirements for commercial partnerships
